

Lacey N2

**Author:** Pamela Butchart

**Title:** Attack Of The Demon Dinner Ladies

**Genre:** Comedy, Fantasy, for children

**Plot overview:** The four main characters go to a regular school but when an old dinner lady returns they get suspicious as she seems to change the menu and the dinner lady uniforms. Seagulls that hang around the school have tripled in number since her and her daughter arrived. One day they find out from the cold lollipop man, that she is 'infamous'. But the shepherd's pie urges them on to think that there is a more sinister plot...

**Characters:** Izzy (the writer 'I'), Jodi, Zach, Masie. My favourite character is 'Jodi', she is the leader and she holds all the meetings and always knows what to do in a troublesome situation. Like when they sneak into the school office to collect information and when a teacher comes in, Jodi tells them to drop and roll under the desks.

**Opinions on the book:** I liked it as I enjoy mystery books and in all of the books in this series, they have an extremely big twist at the end and I just get hooked by the plot. I don't have an opinion on if I dislike the book as I don't feel as if there is a flaw.

**Recommendations:** I would recommend this book to a range of children in the age range of 6-11 years old. (but I could probably read this when I'm 20 and enjoy it!)

**Rating:** I would rate this book a 10/10
