Re: Sherburn High School Summer School

Dear Parents, carers and students,

Following the letter Ms Oakley shared with you in May, I wanted to get in touch with you regarding the Summer School programme running between Monday 23rd and Friday 27th August this year.

This is an opportunity for our new Year 7 students to come into Sherburn High School for a week of wide-ranging activities, including sports, science, problem solving, team building and much more.

As we delve into the depths of putting our programme together, we are keen for as many of our new students to come and see what Sherburn High School has to offer and familiarise themselves with the school, the staff and their peers. The summer school is free to all students.

If you would like to sign up for our Summer School, please complete this form by Sunday 20th June 2020. To help us plan effectively, we would appreciate all parents/carers to complete the form [here](#), even if you do not wish to attend the event.

We will be in touch again shortly with more details as they develop. In the meantime, should you have any further questions relating to the Summer School, please do not hesitate to contact myself.

Yours Sincerely,

Callum McIntyre
Summer School Coordinator
Sherburn High School
