Design Technology

Daisy H

Daisy is a fantastic designer and creative thinker. She has worked incredibly hard this year and has produced some really fantastic NEA work so far. She will often use her initiative and take risks! - which is what great designers do! Well done Daisy - you are an absolute pleasure to teach.

Bobby M

Bobby is a very committed and hard working student! He is a thoughtful designer and considers every aspect of his work. He communicates his design ideas well using both CAD and hand sketches. He will undoubtedly do very well in his YR11 NEA - Look forward to seeing what you produce!

Design Technology

Oscar M

Oscar is a brilliant technical thinker. When faced with a design problem he comes up with some really excellent possible solutions. I look forward to seeing what you produce for your YR11 NEA and seeing you meet your full potential in DT

Math's

Matilda M

Matilda is perhaps the most conscientious student I have ever met! She works incredibly hard in class and seeks out as many opportunities as possible to extend her learning in her own time. She deserves every success in her studies.

Joe G- S

I've been really impressed with Joe this year and his attitude towards his maths GCSE. He works hard in lessons and is keen to understand all aspects of the course, asking excellent questions and giving good answers in class discussions. Great work Joe and keep it going into year 11. Well done.

Math's

James P

James has really impressed me this year with his work ethic and commitment to his maths GCSE. He is always working hard to understand the concept being covered and offers valid answers during class discussions. Well done James and keep up the fabulous work.

Joe P

I've been incredibly impressed with Joe this year. His attitude in lessons has been exemplary - he is focused on tasks, asks really good questions and is always willing to contribute to move learning forward. I know that if he continues this excellent attitude next year, he will go on to succeed in his Maths GCSE at the end of year 11.
