Lockers

We recommend that you rent out a locker for the academic year. Students can access lockers before school, at break time, lunchtime and at the end of the day.

They use a combination code which allows for secure storage.

As your son/daughter will be moving into Year 7, you will need to rent a locker in the key stage 3 area.

How to Rent your Locker:

Option 1 - Visit www.locker.rentals

Option 2 - Scan the QR Code

Option 3 - Call the booking hotline **0333 772 9794**
(£3.00 charge for telephone bookings)
