Beetle Boy, Beetle Queen by M G Leonard

Genre – Action

Beetle Queen is a book about Darkus, a boy who has one thing on his mind – to stop Lucretia Cutter – a half-beetle, half-woman monstrosity. Her daughter Novakis is secretly working with Darkus and his friends Virginia and Bertolt.

Darkus has a pet beetle called Baxter. Virginia has Marvin, Bertolt has Newton and Novak has Hepburn. Their comrades help them throughout the adventure, and danger is sure to never be far away!

I liked that it was a fun book but also that there was action all throughout.

I would recommend this book to all ages – it is funny and has a lot of action within its pages.

Star Rating 9/10.
