

Kyle N4

Escape by Linwood Barclay

Genre: Thriller

This book is about a kid and his robotic dog and they try to escape a secret organisation.

The main characters are Harry, Jeff and Chipper. My favourite character is Chipper as he is a robot dog and I find that cool!

I liked that new characters were added throughout the book but disliked that some of the parts of the book felt repeated.

I would recommend this to people over the age of 10.

I rate it at 5 out of 10.
