The Lord Of The Rings by J. R. R. Tolkien

Genre: Fantasy/Adventure

This story is about four friends who go on a journey to stop Sauron and meet lots of people on the way.

The main characters are Sam, Frodo, Gandalf, Pippin, Merry, Gollum, Aragorn, Legolas and Bilbo.

I like how there were lots of unexpected turns. I didn't like how it stretched on for a long time.

I would recommend this to readers aged 11 plus as it is complicated.

I give it 5 out of 10 stars.
