Fifa 20 - Video Game

Genre: Sport – Football

This game is available for all the major platforms. It is a game where you get players and build a team then play a game of football. You can customise your players by choosing hair colour, tattoos etc.

I like to build the teams but I don't like really good players that play the game.

This is suitable for anyone over the age of 10

I give it a star rating of 7 out of 10.
