This novel is about when a girl, called Emerald, thinks lying is the only way to keep her family together, until she meets Liam. Liam has put his happiness on hold until Emerald dares him to dream.

The main characters are Emerald and Liam. I liked that it had a twist to the story as nobody told them that they weren't supposed to fall in love.

I would recommend it to 13/14 year olds.

I would give it a rating of 9/10.
