Dear Parent/Carer,

Thank you for choosing Sherburn High School, I am proud to be the Transition Leader of a school which cares deeply about the community and its young people.

"Even the darkest night will end and the sun will rise" feels quite an apt quote for our current situation. Transition from primary school to secondary in 'normal times' is a period full of mixed emotions such as joy, excitement and unease. In these circumstances at Sherburn High School, we're working incredibly hard to make sure that this transition is as smooth and stress free as possible.

I thank you for your patience and understanding as we navigate uncharted waters, as you can imagine, the preparation for transition this year will look slightly different to previous years'. Behind the scenes, everything is on track, contact has been made with primary teachers and provision is being put into place for the most vulnerable Year 6 students who will be joining us.

Over this month and the next, you'll be given all the information that you and your child need for an effective transition. In case you feel you may have missed any, all of the correspondences made up to this day are available at <https://www.sherburnhigh.co.uk/transition> There you will find previously distributed letters and a link to frequently asked questions. In the future there will also be a virtual transition evening and transition booklet available on the website which will give you further detail around uniform, school day, the house system etc.

So we can find out a little more about your child, below is a link for an on-line admission form for you to complete. This will give us all the information we require to ensure your child is in the correct groups to start their new journey with us. We have tried to put everything in one place so we are not bombarding you with different forms every week so I do apologise that it is quite long. Please read every question carefully and answer in as much detail as possible. Attachments to this email should be read thoroughly prior to completing the online form. **This is a legal document which we must hold on file, therefore, I would be grateful if you could complete this at the earliest opportunity.**

I will be in touch shortly with any further information you may require but do not hesitate to contact me in the meantime.

Yours sincerely

Mr A Stanton
