

Name: Emma

Year 9

Author: R. J. Palacio

Title: Wonder

Genre: Real life issues/discrimination

The book "Wonder" is about a boy called August who is born with a birth defect, making him different and so called "deformed". He has been home-schooled his whole life, until his mother forces him to go to a regular school. He doesn't have any friends at first but then some people become more understanding of him, and accept him as their friend.

Main characters: August, August's parents: Jack Will, (Olivia) Via, Summer, Julian, Miranda, and Mr Tushman

My favourite character would be Summer.

I loved the whole book, but if I had to pick one specific point that I liked about Wonder then I would say that, I like how the protagonist is not the handsomest of people but he still manages to be one of the most, if not the most popular person in school!

I would recommend this book to anyone 11+ years!
