

Dear parents, carers and students,

I hope that despite the cold and increased local lockdowns that you managed to enjoy the weekend – I just thought that I would start the week with a few updates.

Facemasks:

Thank you to everyone who is supporting our revised Face Coverings Protocol. Students have responded really positively, and our relentless routine of wearing our face coverings as we leave classrooms, on corridors and other communal areas is working well. Please, do remember that students should have a clean face mask every single day, and that face coverings should be stored in a suitable plastic, zip lock bag, when they are not being worn.

Chrome Books:

Our new Lease to Own Chrome Book scheme is proving incredibly popular – don't miss out on securing a Chrome Book, visit the link below to find out more about this scheme.

Key Stage 3 Homework Timetable:

In order to help students to organise their time, please see attached the Key Stage 3 Homework timetable. Students should be recording their homework in their planners and tasks will be set on Google Classrooms.

Please do not hesitate to email queries to your child's class teacher or alternatively place a short note in your child's planner for their teacher to see.

Competition Time!

Students – have you got a story to tell about your experience of lockdown?! Are you a media whiz? A budding artist, photographer or journalist? If so, this competition might just be for you:

“We have created a county wide competition called Lockdown unleashed.”

Closing Date is Friday 23rd October 2020

We are looking for a storyboard/ poster of young people's time during Lockdown 2020

What we would like to know and things they could include are:

- How has lockdown been for you? The good, the bad and the ugly!**
- Worries for the future**
- Worries about returning back to school**
- What has changed for you?**
- What good things have come out of lockdown?**
- What are the bad things that have come out of lockdown?**

We will then be collating all the entries to make a big North Yorkshire Story Board showing young people's voice and feelings of lockdown across the county!

Entries can be hand drawn, digitally done, videos or anything.... but we do need to receive them by email so you may need to take a photo and send to either:

charlotte@nyy.org.uk or jayne@nyy.org.uk

Something that has most definitely put a smile on my face recently is our ever improving Creative Courtyard. As you can see for yourselves in the pictures below, this part of school is adding some colour to our lives – but we need your help!

Miriam Oakley
