Morrigan Crow is cursed, having been born on eventide, the unluckiest for any child to be born. She is blamed for all local misfortunes, from hailstones to heart attacks and worst of all, the curse means that Morrigan is doomed to die at midnight on her eleventh birthday. As Morrigan awaits her fate, a strange and remarkable man named Jupiter North appears. Chased by black smoke hands and shadowy hunters on horseback, he whisks her away into the safety of a secret, magical city called Nevermoor. It is then that Morrigan discovers Jupiter has chosen her to contend for a place in the city's most prestigious organization: The Wondrous Society. In order to join, she must compete in four difficult and dangerous trials against hundreds of other children, each boasting an extraordinary talent that sets them apart – an extraordinary talent that Morrigan insists she does not have. To stay in the safety of Nevermoor for good, Morrigan will need to find a way to pass the tests – or she will have to leave the city to confront her deadly fate!
