

# Chromebooks for Learning

Having access to the latest technology when and where they need it, gives students the very best chance of success beyond the classroom. But for parents and carers, making that investment can be a struggle..

## Lenovo

### 100e Chromebook

Our recommended device for students is the Lenovo 100e.

It's a robust and rugged chromebook designed for use in education. Built to withstand everyday knocks, bumps, drops and spills without damage. The extensively tested, impact-resistant body stands up to daily wear and tear.

It also boasts rubber bumpers, reinforced ports and hinges, and secure mechanically anchored keys. With its day-long battery life, students can be guaranteed continuous and uninterrupted learning without worry.

## **FAQs**

### **How long can I spread the payments over?**

Pay in full, or in instalments over a period of months depending on your preference.

### **What happens at the end of the agreement?**

On your final payment the device becomes yours.

### **Will there be any credit checks?**

No, everyone is approved and there are no credit checks.

### **What is the excess on the insurance policy?**

There is no excess on either the accidental damage insurance or warranty.

### **How do I make an insurance or warranty claim?**

You will be provided with a policy and claims document detailing how to make a warranty or insurance claim.

### **Can students use the device at school?**

Currently, the school's wifi capacity doesn't allow for many students to be connected to the network in addition to the hundreds of other terminals we have. We are looking to expand our wifi capacity so they can be used in school in the next academic year.
